The RaZor Wrestling Club continues to give young athletes a venue to learn, practice and compete at many different levels. This golf outing helps to offset some of the expenses incurred while running our year round club. Monies raised will also help us in our continued support of the many great organizations that promote and enhance the sport of wrestling here on Long Island. By donating to these organizations, we help our young athletes participate in tournaments, camps, clinics, and provide the opportunity of scholarships. The Long Island Wrestling Association is a not-for-profit organization which assists and facilitates the dissemination of information about wrestling events and activities to wrestlers, coaches, parents and fans. The LIWA website is the wrestling source for all of Long Island. Friends of LI Wrestling is yet another amazing organization which supports our wrestling community and partners with the National Wrestling Hall of Fame inducting worthy Long Islanders into the Hall at the annual dinner banquet. RaZor has contributed to NY-USA Section XI wrestling which does an amazing job raising funds to send worthy LI wrestlers to Fargo, ND to the annual Cadet and Junior Nationals. RaZor is proud of our continued support of Hofstra University Wrestling which is the only Division I wrestling program here on Long Island. The Ward Melville wrestling community has an incredible partner in the Patriot Wrestling Booster Club and we are proud to support them as well. Please continue to help us enhance the wrestling experience for young athletes and enjoy a fine day of golf.
